The ActiveNet system provides enhanced features to better serve residents and customers, including:

- Improved search options and ease of navigation

- Access to update and maintain personal accounts as needed
- Ability to sign up for text alerts for registered classes and programs
- 

Visit [GilbertRecreation.com](http://GilbertRecreation.com) to be redirected to the ActiveNet site to create a new account. Winter session registration begins December 13 for classes and programs that are scheduled to start in January. Be sure to create your new account before registration begins. ## Neighbors Helping Neighbors In Need

During times of excess stress (illness, etc) if you could use a little help keeping out weeds, doing yard work or other chores, contact Neighbors Helping Neighbors Chair Sannette Judy for help.

Sannette can be reached via e-mail at [s.judy@cox.net](mailto:s.judy@cox.net). She keeps in touch with community groups such as the Boy Scouts who often need community service hours for merit badges. Help keep our neighborhood a desirable place to live by being good neighbors who look out for each other.
