## Download the Gilbert 311 App

Have you ever been out around the community and you notice something that needs attention? Well the Town of Gilbert is making it easy for residents to report issues right when you see them.

The Town of Gilbert has launched a new engagement platform, Gilbert 311. Now you have the opportunity to report issues and request services through a free mobile application. You can report issues such as pot holes, streetlight outages, etc. You can even set “watch areas” so that you can see issues reported in a specific area.

Download it today from the App Store or Google Play or you can visit the website at

Registration begins on August 26, 2019. It is \$25 per person and there will be special discounts in September. The course is two miles long. For more information visit the Town of Gilbert Website.

The park is going to be overseeded with Rye Grass this winter. The water will be cut in September and the grass will be cut half an inch shorter each week for four weeks. In October the seed will be spread and the turf will be watered three times per week for 2-3 weeks so the seed can germinate. Please keep off the grass as much as possible to help the grass grow so we can have a beautiful lawn all winter long.
